Important information for speakers

The organization wants to encourage the conferences debates and questions. Therefore, it is necessary to strictly respect the time for discussions.

Plenary speakers are scheduled for 60 minutes (50 min. talk + 10 min. Q&A)

Oral Contributions:

CryoEM & Life Science are scheduled for 15 minutes (12 min. talk + 3 min. Q&A)

Materials are scheduled for 20 minutes (15 min. talk + 5 min Q&A)

Flash Talks are scheduled for 5 minutes (4 min. talk + 1 min Q&A)

Speaker Preparation: Please, upload your presentation via [this link](#) at least 24 hours before your scheduled talk and arrive at the room with sufficient time to check your presentation. A staff member will be in the room in case any issues arise.

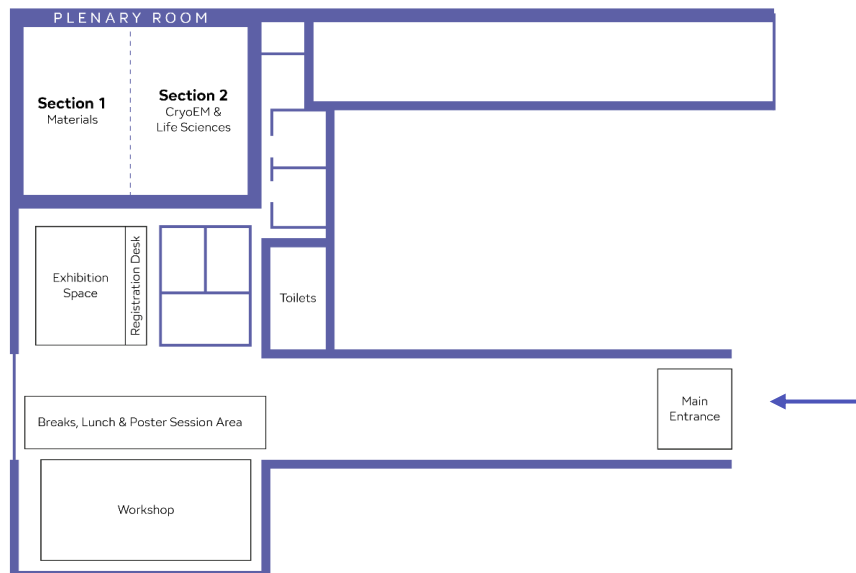

Only the official conference computers will be available for use during the conference. The use of personal laptops is not allowed.*

Data Protection: All submitted materials will be handled in compliance with the General Data Protection Regulation (GDPR). Presentation files will be permanently deleted immediately after the session has concluded.

**If your situation requires special permits or protocols, please contact us via email at MFS25@scitoevents.com for guidance on the procedure to upload the presentation. Please note that no exceptions will be granted on-site.*
